Instead of \$595 for a 6-day/5-night experience, the cost will be \$100!

The weekly routine for most programs includes cooling swims and paddling at our beautiful waterfront, hiking, arts and woodcraft, team-building on our ropes course, learning basic survival and camping skills. Everyone looks forward to Thursday night campfire, a fun-filled evening of skits, songs, stories and laughs.

Applications for Bryant Pond Camp may be obtained from the PKA Coordinator at your child's school.

Because space is limited, it is important to get your completed application returned to your PKA Coordinator as soon as possible.

**Applications for PKA reduced rates sent directly to Bryant Pond will NOT be accepted.**

Visit Bryant Pond Camp's website, [extension.umaine.edu/bryantpond](http://extension.umaine.edu/bryantpond) for information on programs offered.

You may select any program listed (ignoring the weeks indicated).

Camp counselors will make an effort to satisfy the requests of all children.

**Transportation to and from camp must be provided by parents.**

Students must be 7-years-old or older and able to spend time away from home for the week.
