

Pequawket Kids Association

Brownfield-Denmark Elementary School

Schedule and Sign-up for September 2010

Pequawket Kids Association provides students with enrichment opportunities after school that complement children's regular academic programs. An important goal of Pequawket Kids Association is to improve the academic performance of students in reading/language arts and mathematics. In order to accomplish this task, it is highly recommended that children attend at least 2 days each week. You are asked to schedule your child for one month at a time. A monthly schedule will be sent home with your child a week before the beginning of each month. In fairness to other students who want to join the program, students are expected to attend the days they are scheduled, PKA is not a drop-in program and your child must be signed up for the month in order to participate in any program. Your fee is payable in full at the beginning of the month unless other payment arrangements have been made with the coordinator in advance. Credit will be given for snow days, but not for any other missed

We will be going on a field trip to Sherman Farm Corn Maize on Wednesday, September 22nd. You must be enrolled in a Wednesday program to go on this field trip.
